1807 Notes

These pages of data and notes are still incomplete

1808

1809 **Black** data is based on field observations

1810 **Blue** data is based on factory serial number logs.

1811

1812 **NA** means Not Applicable.

1813

1814 **Low** means Lowest serial number found to date for this catalog number

1815

1816 **High** means Highest serial number found to date for this catalog number

1817

1818 The GREEN block after the model name indicates the lowest serial number found for a particular model

1819 The RED block after the model name indicates the lowest serial number found for a particular model or

1820 The PINK hi-lited dates are dates that are later than expected for that serial number

1821 YELLOW hi-lited data is data that conflicts with the records

1822
