NOTES:

This data is still a work in process and the data hasnot been checked

" -- " denotes an open record

The catalog numbers for 00, 01 and 02 for each caliber is not correct perhaps due to confusion during the last days..

Blue hi-lited invoice numbers or key serial numbers indicate a .45 Crusader with an account number the same as the corresponding .44 Crusader.

green hi-lited invoice number indicates the data derived form the key serial number data.

yellow hi-lited data indicates that the gun needs firther review. Many of these were returned to stock and the final disposition of the revolver needs to be researched.
